

Kensington Woods RoboSumo Competition!

April 12, 2008. 1:00 - 4:00pm

Kensington Woods High School
3700 Cleary Drive
Howell, MI 48843

Sponsored by:

J.F. Cavanaugh Company, Farmington Hills (Silver Sponsor)
Vic Canever Chevrolet, Fenton, (Bronze Sponsor)

Battling robots! Your robot will go head to head against the competition in a Robot Sumo match. Push the other robot out of the ring and you win! Junior (grades 5-9) and Senior (grades 9-12) divisions. Senior division has bigger robots and Sumo ring.

The winners of this competition qualify to compete in the Robofest World Championship at Lawrence Technological University in Southfield on April 26, 2008!

Who: Middle and high school robotics clubs in or near Livingston County, MI. For students, families, and coaches. All ages are welcome!

Rules: See www.robotfest.net for complete rules and current information.

Awards: Trophies for 1st, 2nd, and 3rd place in each division. Medals for all participants.

Registration: Visit www.robotfest.net to register. Also please email David Coupland, dcoupland@kensingtonwoodshs.com, if you plan to attend.

Cost: \$45 per team to register with Robofest. One robot per team, but you can have several teams from one school. No additional cost for this regional competition.

Free popcorn! Drinks available for purchase.

Bring: Robots, robot kits, laptops for programming, extension cords, power strips, lunch or snacks.
